

GAP insurance is designed to protect you against a financial shortfall in the event of a total loss due to Fire, theft, Accident or Accidental Damage.

Having your vehicle stolen or written-off can be worrying enough without having to argue with your insurer over your claim settlement.

Even worse, with insurers paying the current market value of your vehicle - not the price you paid for it - you can find yourself out of pocket, especially if your vehicle was brand new.

GAP insurance, is designed to work alongside comprehensive insurance to help you cover the shortfall.

Our GAP products will benefit you if you are:

1. buying a new or used vehicle;
2. buying a vehicle from a dealer or privately;
3. obtaining a vehicle on Finance, lease or even outright purchase;
4. in the situation where you did not buy GAP when you purchased your vehicle all those months/years ago.

We cover the following vehicles:

- Cars
- Vans
- HGVs/LGVs/Taxis
- Driving Schools
- Motorhomes
- Motorbikes
